Directions to MADE's offices

Our office is the four-storey building on Bradford Street at the rear of Digbeth Coach Station. It has 'One Hundred Thousand Welcomes' on the side and Glenn Howells Architects and DBK signage in the windows.

Walking from New Street Station (10 mins)

When you emerge onto the concourse at New Street take the Bullring exit (the side of the concourse with Leon, Benugo and Oliver Bonas outlets). Walk across the public space outside the station, across the road and into the Bullring Shopping Centre. Stay on the same level, continue forward and exit by the glass doors on the other side. Turn right. You will see the spire of St Martins Church ahead of you. Walk down the steps (or take the slope to the right) and keep the church on your left. * Turn left after the church and then right into Moat Street keeping the open market on your right. Continue along Moat Street keeping the multi-storey car park on your right. Cross the road towards the South Birmingham College building and turn right into Bradford Street. Follow the road round to the left and you will see our building ahead of you with 'One Hundred Thousand Welcomes' on the side. The entrance is along the far side of the building next to the olive trees.

*In the unlikely event of the Bullring Shopping Centre being closed turn right outside the shopping centre entrance and after about 50 meters you will see a circular structure on the corner on your left. Enter this tower and take the spiral staircase or lift down to the ground. Turn left at the bottom and walk towards St Martins Church. Then follow the directions from * above.*

Walking from Moor Street Station (7 mins)

Turn left out of the station and cross the road towards the side entrance of the Bull Ring. Do not enter the Bull Ring but turn left and walk around the edge of the Bull Ring keeping it on your right. Go straight ahead into Moat Street keeping the Church and then the open-air market on your right. Continue along Moat Street keeping the multi-storey car park on your right. Cross the road towards the South Birmingham College building and turn right into Bradford Street. Follow the road round to the left and you will see our building ahead of you with 'One Hundred Thousand Welcomes' on the side. The entrance is along the far side of the building next to the olive trees.
